

PPS Reform

Personal Property Securities - 1 Day Seminar

One more run through before it begins

This seminar is designed to enable participants to gain and confirm their understanding of how the new PPS Legislation will operate.

The seminar will offer participants an opportunity to consider issues relating to:

- **Selecting the appropriate form of security interest**
- **Gather the information they will need to register their security interest**
- **Understanding a creditor's rights and obligations to the grantor (debtor/guarantor) under the new regime**
- **The steps involved in using the PPS Register - what information will you need to have to lodge a registration and what information will you need to store in your own systems to protect your security interests**
- **Enforcement - determining which provisions of the new legislation should you seek to contract out**
- **What will happen when your customer becomes insolvent – priorities, proceeds and proceedings**

The seminar will be a combination of presentations and practical workshop based activities.
